

## **PREVENTION SPECIALIST**

**At Alta Care Group (Alta Behavioral Healthcare and Alta Head Start) we are committed to hiring staff** who are interested in making a difference in a child's life. We are interested in staff who have a passion for children, a commitment to excellence, and a desire to help us achieve our mission of helping children and healing families. If this is you, we welcome you to consider joining us as part of our family.

**Prevention Specialist:** Alta Care Group is seeking a Part-Time Prevention Specialist. This position will work 20 to 25 hours per week. The Prevention Specialist duties are to develop and implement prevention services in the community and school-based settings with school aged students. Assist identified schools and districts in the education, awareness, and advancement of prevention services as well as mental health issues among students. Provision of on-site prevention education services in school settings to assist school personnel in identifying and addressing prevention needs among students and the community in general as it relates to school aged children. The successful candidate will be required to obtain a Registered Applicant certification within 90 days, and work toward the Ohio Certified Prevention Specialist Assistant Certification.

**Compensation:** Commensurate with Experience

### **MINIMUM QUALIFICATIONS FOR PREVENTION STAFF/AIDE**

- High School Diploma (or equivalent).
- Be willing to obtain a Registered Applicant certification within 90 days and be working toward the Ohio Certified Prevention Specialist Assistant Certification.
- Must be able to pass BCI/FBI background check and drug screen.

Please submit resume and letter of interest to: Chief Operating Officer, Vince Paolucci, Alta Care Group, Inc., 711 Belmont Ave., Youngstown, OH 44502, or email, EEO

Job Type: Part-time, EEO
